**Note:** Certain changes have been incorporated on suggestions of AIU Observer, consented by all Contingent Incharges during the Managers Meet. The following points were considered for declaration of results:

- The judges would give marks to all participants and give a ranking list of Top 5 participating Universities (in place of top 3 participating Universities) in every event.
- Prizes /mementos and merit certificates will be awarded to top 3 Universities (i.e. first, second and third positions only). The 4<sup>th</sup> & 5<sup>th</sup> position holders will get merit certificates only.
- In the new system, top 5 Universities in every event would be considered for award of points for final tabulation of scores for the award of overall championship.
- If the number of participating universities in any event is more than 10, then 5 teams will be awarded points, if the participants are between 6-10, then 4 would be awarded points and if participants are 5 or less, then top 3 would be awarded points. There would be no joint or bracketed positions.
- Pointing system for the GROUP EVENTS will be 10,7,5,3,1, whereas for SOLO EVENTS, it will be 7,5,3,2,1.
