

CSIF SERVICE CHARGES

Instrument Name	Charge Basis	Internal	External (Academic)	Industry
UV Spectrophotometer	Per sample	25/- (for liquid samples)	50/- (for liquid samples)	300/- (for liquid samples)
		25/- (for solid and high scattering samples)	50/- (for solid and high scattering samples)	300/- (for solid and high scattering samples)
FT-IR Spectrophotometer	Per sample	25/-	50/-	300/-
GC-MS	Per sample	100/- **	200/- **	1000/- #
MILI Q Water	250 ml	25/-	75/-	150/-

NOTE: As per Government Regulation 18% GST will be levied for services provided.

** For the Total Ion Chromatogram (TIC) per sample with peak identification (max. 10 numbers) from NIST Library. For MS spectra an amount of ₹25.00 may be charged per spectrum.

For the Total Ion Chromatogram (TIC) per sample with peak identification (max. 10 numbers) from NIST Library. For MS spectra an amount of ₹50.00 may be charged per spectrum.

** For multiple samples, depending on numbers, relaxation in rate is available.
