WELCOME!

MESSAGE FROM THE CHANCELLOR ROYAL GLOBAL UNIVERSITY

Dear Parents and beloved Students,

It is my pleasure to share my thoughts with you.

From Galileo, Einstein, to Steve Jobs, men of merit and effort have harped on inventions and creations out of their inherent urge that drives one to the goal. Royal Global University has also been the outcome of this urge and we strive to bring to the Northeast the best academic facilities possible.

I must admit, you have been my strength and guide in this endeavour. Courtesy your support, encouragement, and participation. Royal Knowledge Park, our campus at Betkuchi, has been growing and adding new feathers to its cap every year since its inception. It now boasts of having 24 schools offering over 130 UG, PG and Ph.D. programmes in varied fields, viz Engineering, Business Administration, Commerce, Architecture, Design, Fashion, Fine Arts, Pure Sciences, Information Technology, Life Sciences, Biosciences, Environmental & Earth Sciences, Communications and Media, Psychology, English, Humanities and Social Sciences, Law, Hotel Management, Travel and Tourism, Management, Pharmacy, Nursing, Medical & Allied Sciences, Forensic Science, Agriculture etc.

The educational journey of a child begins with us at Royal Knowledge Park. Starting with the play-way method at Royal Global School to research driven pedagogy in Royal Global University, an aspiring student can have it all. We call them the ROYALLites. We aim to offer nationally and internationally integrated opportunities to create global citizens. We also believe in instilling ethical and moral values in every ROYALite so that they learn to give back as responsible leaders to the society who are capable of enriching the future by bringing in positive transformation in the world, touching lives, and milestones. The risks and challenges of the twenty-first century must be negotiated. We pledge to play our role in doing so, with your constant support.
