Instrument Name	Charge Basis	Internal	External (Academic)	Industry
UV Spectrophotometer	Per sample	50/- (for liquid samples)	100/- (for liquid samples)	500/- (for liquid samples)
		75/- (for solid and high scattering samples)	150/- (for solid and high scattering samples)	500/- (for solid and high scattering samples)
FT-IR Spectrophotometer	Per sample	50/-	100/-	500/-
GC-MS	Per sample	200/- **	300/- **	1000/- **
HPLC	Per sample	200/- ***	300/- ***	1000/- ***
MILI Q Water	250 ml	25/-	75/-	150/-

NOTE: As per Government Regulation 18% GST will be levied for services provided.

**** For the Total Ion Chromatogram (TIC)** per sample with peak identification (max. 10 numbers) from NIST Library.

For MS spectra: An additional charge of

- ₹25.00 may be charged per spectrum for **Internal and External (Academic)** users
- ₹50.00 may be charged per spectrum for **Industry** users

***** Bioanalytical Assay:** An additional charge of ₹250.00 shall be applicable.

Method Development and Validation: An additional charge of ₹100.00 shall be applicable.

Note: For multiple/ bulk samples, depending on numbers, relaxation in rate is available.
